

Trilogy is an extremely practical and manoeuvrable Inglesina stroller.

Clean and modern lines, refined colours, but especially technical solutions that make it the perfect product for demanding parents, eager for a comfortable and practical trio in any situation. Every activity is easier with Trilogy. The wheels equipped with ball bearings make it easy to push, and the mechanism to operate the swivel wheels is right at your fingertips. The most important feature of this category is how the stroller opens and closes, and with Trilogy this can be done with just one hand, using centralised controls.

Trilogy consist of:

- Stroller
- Storage basket
- Cup holder
- Leg cover
- Rain cover

Stroller features:

- Suitable from birth to 15 kg.
- Legendary umbrella one-hand, single action open/close system (Inglesina patent).
- The seat is reversible (the position on the chassis may be facing mum or the street according to your choice). The chassis closes with the pushchair seat mounted in both configurations.
- Available with frame with single handle or separate grips.
- Front swivel wheels with remote locking and unlocking control that can be activated without having to act directly on the wheels.
- Front wheels diameter 175 mm; rear wheels diameter 205 mm with Abec 5 bearings.
- Active brake lever, which, once activated, automatically positions itself, thereby ensuring improved safety.
- Matching storage basket with reinforced base for up to 3 Kg.
- Cup holder integrated in the chassis.
- Lateral transport handle
- Adjustable 5-point harnesses.
- The pushchair seat, thanks to the triple position, offers the opportunity to adjust the back straps in terms of height, following the baby's growth.
- Padded shoulder straps.
- The soft padded leg cover can be hooked in a position suited to protect the baby against the cold.
- 3-position reclinable backrest with centralised control.
- Handrail and footrest in technical waterproof material, resistant and easy to wash.
- Adjustable 2-position footrest.
- Fully removable lining and hood, washable by hand at 30°C.
- The pushchair seat can be easily fastened and unfastened from the chassis thanks to the side handles.
